Getting Started

Welcome to the Approval Guide, your source for the most up to date information about FM Approved products and services. The **Quick Start Guide** provides an overview of all Approval Guide search methods along with recommendations and guidance to maximize results.

To get started immediately, enter a word or phrase in the search bar above. You can also click any of the categories below and then select the relevant subcategory to search within a specific product area. If you have any questions or would like assistance completing successful searches, click on the **?** icon at the top of this page.

Cleanroom Materials →	Gas Detection Equipment →
Coatings and Firestopping →	Ignitable (Flammable or Combustible) Liquid Equipment →
Combustion Control Equipment →	Other Building Materials →
Condition Monitoring Equipment →	Other Fire Protection Products →
Cooling Towers →	Pallets →
